## 1. Energy drinks

### 1.1. Amino acids

---

- Glutamine  
Country of origin: China
- Glycine Food Grade (with anti-caking agent Sipernat 22 S or without)  
Country of origin: China
- L-Glutamic Acid  
Country of origin: China
- L-Lysine USP  
Country of origin: China
- L-Phenylalanine  
Country of origin: China
- Taurine (with anti-caking agent Sipernat 22 S or without)  
Country of origin: China

### 1.2. Plant and marine extracts

---

- Ashwagandha US DMF (AshwaBoost®)  
(*Withania somnifera*)  
Country of origin: India

- Ginseng (*Panax ginseng*)  
Country of origin: China

- Spirulysat® extract  
Liquid extract of spirulina; very nutritious microalgae. Very high availability of the active molecules present and very rapid assimilation by the body, reinforced functional efficiency.  
Country of origin: France

### 1.3. Others

---

- L-Menthol 90 %  
Natural product from the leaves of *Mentha arvensis*  
Country of origin: India

- Sucralose (granular 60-100 mesh, powder and micronized-powder)  
Country of origin: China

## 2. Sport nutrition

### 2.1. Amino acids

---

- BCAA (Branched Chain Amino Acids)  
Country of origin: China
- Beta-Alanine  
Country of origin: China
- Beta-Alanine  
Country of origin: Japan
- Glutamine  
Country of origin: China
- Glycine Food Grade (with anti-caking agent Sipernat 22 S or without)  
Country of origin: China
- L-Arginine Base  
Country of origin: China
- L-Carnitine Base  
Country of origin: China
- L-Carnitine Tartrate  
Country of origin: China
- L-Glutamic Acid  
Country of origin: China
- L-Histidine Base  
Country of origin: China
- L-Lysine USP Grade  
Country of origin: China
- Sodium Glycinate  
Country of origin: China
- Taurine (with anti-caking agent Sipernat 22 S or without)  
Country of origin: China

有機合成薬品工業株式会社  
YUKI GOSEI KOGYO CO., LTD.

### 2.2. Plant and marine extracts

---

- Ashwagandha US DMF (AshwaBoost®)  
(*Withania somnifera*)  
Country of origin: India

  
Sunpure Extracts Pvt. Ltd.

- **Blooster®**

Is a special combination of Spirulysat® and Low-Sodium Marine Magnesium®  
Country of origin: France

- **BOSWpure® *Boswellia serrata* extract US DMF**

Boswellic acid 65-85 % or AKBA 10-90 %  
AKBA are selective 5-lipoxygenase inhibitors and therefore, capable to manage the inflammatory response function through leukotriene inhibition. Maintains and supports healthy joints.  
Country of origin: India

- **Curcumin (CurcuBoost®)**

Powder 95 % or higher  
Country of origin: India

- **Ginkgo extract (*Ginkgo Biloba*)**

Country of origin: China

- **Gotu kola US DMF (*Centella Asiatica*) (CENTpure®)**

(Asiaticoside 45 %, 20 % or 10 %)  
Country of origin: India

- **Green chiretta (*Andrographis Paniculata*)**

Country of origin: India

- **Holy Basil extract 5 % (*Ocimum tenuiflorum*)**

The plant has a relaxing effect, also relieves pain and combats stress-related high blood pressure.  
Country of origin: India

- **Spirugrass ®**

Protein and lipid fraction obtained from the biorefining of spirulina after hydrophilic extraction.  
Rich in amino acids, iron, vitamin K and beta carotene  
Country of origin: France

- **Spirulina**

Consists of 64 % protein and contains all essential amino acids, antioxidants, vitamins and mineral salts.  
Spirulina also contains BCCA (Brain Chain Amino Acids), which are highly valued by athletes, as they are important for muscle health.  
Country of origin: France

- Spirulysat® extract

Liquid extract of spirulina; very nutritious microalgae. Very high availability of the active molecules present and very rapid assimilation by the body, reinforced functional efficiency.

Country of origin: France

## 2.3. Vitamins

---

- Vitamin C

Country of Origin: China

## 2.4. Others

---

- Low-Sodium Marine Magnesium®

Country of origin: France

- Sucralose (granular 60-100 mesh, powder and micronized-powder)

Country of origin: China

## 3. Dietary supplements

### 3.1. Amino acids

---

- L-Arginine Base  
Country of origin: China
- L-Carnitine Base  
Country of origin: China
- L-Carnitine Tartrate  
Country of origin: China
- L-Lysine USP Grade  
Country of origin: China

### 3.2. Plant and marine extracts

---

- Guar gum  
Also called guaran, is a galactomannan polysaccharide obtained from guar beans and has thickening and stabilising properties.  
Country of origin: India

- PROPOL®  
Highest-quality glucomannan with the highest molecular weight in nature.  
Glucomannan is a hydrocolloidal polysaccharide obtained from the tubers of various species of *Amorphophallus Konjac*, which are cultivated specifically in Japan.  
Product reduces body weight and maintaining normal blood cholesterol levels.  
Country of origin: Japan

- Spirugrass®  
Protein and lipid fraction obtained from the biorefining of spirulina after hydrophilic extraction.  
Rich in amino acids, iron, vitamin K and beta carotene  
Country of origin: France

## 4. Immune support

### 4.1. Amino acids

---

- L-Lysine USP Grade  
Country of origin: China

### 4.2. Plant and marine extracts

---

- Amla dry extract (*Embllica officinalis*)  
Country of origin: India

- Curcumin (CurcuBoost®)  
Powder 95 % or higher  
Country of origin: India

- Ginseng (*Panax ginseng*)  
Country of origin: China

- Gotu kola (*Centella Asiatica*) (CENTpure®)  
(Asiaticoside 45 %, 20 % or 10 %)  
Country of origin: India

- Green chiretta extract (*Andrographis Paniculata*)  
Country of origin: India

- Lemon balm extract (*Melissa officinalis*)  
Country of origin: India

- Spirugrass ®  
Protein and lipid fraction obtained from the biorefining of spirulina after hydrophilic extraction.  
Rich in amino acids, iron, vitamin K and beta carotene  
Country of origin: France

- Spirulina  
Consists of 64 % protein and contains all essential amino acids, antioxidants, vitamins and mineral salts.  
Country of origin: France

- Spirulysat ® & Copper  
Supplemented with copper.  
Copper contributes to the normal functioning of the immune system and strengthens the cells against oxidative stress.  
Country of origin: France

## 4.3. Vitamins

---

- Vitamin C  
Country of Origin: China

## 4.4. Others

---

- Low-Sodium Marine Magnesium®  
Country of origin: France

## 5. Cognitive health improvement

### 5.1. Amino acids

---

- Glutamine  
Country of origin: China
- Glycine Food Grade (with anti-caking agent Sipernat 22 S or without)  
Country of origin: China
- L-Glutamic Acid  
Country of origin: China
- L-Lysine USP Grade  
Country of origin: China
- L-Phenylalanine  
Country of origin: China

### 5.2. Plant extracts

---

- BOSWpure® *Boswellia serrata* extract US DMF  
Boswellic acid 65-85 % or AKBA 10-90 %  
AKBA are selective 5-lipoxygenase inhibitors and therefore, capable to manage the inflammatory response function through leukotriene inhibition. Maintains and supports healthy joints.  
Country of origin: India

- Gotu kola US DMF (*Centella Asiatica*) (CENTpure®)  
(Asiaticoside 45 %, 20 % or 10 %)  
Country of origin: India

- Ginkgo (*Ginkgo Biloba*)  
Country of origin: China
- Ginseng (*Panax ginseng*)  
Country of origin: China

### 5.3. Others

---

- Low-Sodium Marine Magnesium®  
Country of origin: France

## 6. Mental relaxation

### 6.1. Amino acids

---

- L-Arginine Base  
Country of origin: China

### 6.2. Plant extracts

---

- Amla dry extract (*Emblica officinalis*)  
Country of origin: India

- Ashwagandha (AshwaBoost®)  
(*Withania somnifera*)  
Country of origin: India

- Ginseng (*Panax ginseng*)  
Country of origin: China

- Green tea extract 30 %, 50 %, 80 %, 90 %, 95 %  
(*Camellia sinensis*)  
Is composed of polyphenols, caffeine, minerals, and trace amounts of vitamins, amino acids, and carbohydrates.  
Country of origin: India

- Holy Basil extract 5 % (*Ocimum tenuiflorum*)  
The plant has a relaxing effect, also relieves pain and combats stress-related high blood pressure.  
Country of origin: India

## 7. Contact information

---

We are constantly expanding our supplier network to include new and innovative products. If the ingredient you need is not listed, please contact us and we will support you.
