

Celesta™

We are on a mission to improve sleep, relaxation,
and the ways we think about both.

Celesta is a women-owned manufacturer of functional ingredient blends to the food and beverage industry. We partner with highly attuned food and supplement brands to innovate products that meet consumer need for better sleep at night and improved relaxation during the day. Efficacious, regulatory compliant, clinically tested and patent pending, for a rested and restored world.

Celesta /

RnRMor™

Proprietary Relaxation Blend

Reduces stress and enhances relaxation

Celesta /

SlumberMor™

Proprietary Sleep Blend

Improves sleep quality and sleep duration

The Five Vitality Pathways

Each of our wellness solutions is based upon and interacts with the body's five vitality pathways to better sleep, deeper relaxation, and holistic, restorative wellness.

- 01 Stress Reduction
- 02 Relaxation/Sleep Induction
- 03 Sleep Duration
- 04 Body Recovery
- 05 Mood Stabilization
