

DYNADIS was founded in 2003 with the aim to provide healthy and innovative natural ingredients to the nutraceutical and food industry constantly looking for innovation.

Dynadis strives to meet the highest international standards.

Dynadis is certified ISO 9001: 2015, EU Organic by Ecocert and Kosher.

Our values flow naturally from the dynamic that drives us:

- **Quality:** Dynadis is focused on providing high quality nutraceutical and food ingredients from the world's best sources.
- **We wish to promote dialogue** and exchange of experience with all our business partners, customers, suppliers etc. These values allow us to go further to construct our offer and the solution we propose.
- **Respect for nature:** We are convinced that nature has infinite properties. Our goal is to promote the innumerable treasures that nature offers us, that is why we promote organic and natural products.

Dynadis proposes Nutrange®, a range of ingredients for nutraceutical and food industry suitable for different applications such as tablets, capsules, sachets, sticks and beverage.

Nutrange® is a wide range of carotenoids, herbal extracts and functional ingredients, available in different concentration for our customers, either EU Organic or conventional fitting to their requirements.

Dynadis can also supply on special request any specific ingredient.

- Natural Lycopene from tomato – Oil / Powder / Beadlets

### Herbal extracts:

- Amla (*Embllica officinalis*) - Extract
- Andrographis paniculata - Extract
- Ashwagandha (*Whitania somnifera*) - Extract
- Astragalus membranaceus - Extract
- Bacopa monnieri - Extract
- Boswellia serrata - Extract
- Burdock root - Extract
- Centella asiatica - Extract
- Coleus forskohlii - Extract
- Curcuma longa - Extract\*
- Fenugreek - Extract
- Garcinia cambogia - Extract
- Ginger - Extract
- Goji - Extract
- Green / Black / White tea - Extracts
- Green coffee bean - Extract
- Guggul (*Commiphora mukul*) - Extract
- Gymnema sylvestris - Extract
- Hypericum perforatum - Extract
- Kudzu - Extract
- Mangosteen - Extract
- Milk thistle - Extract
- Momordica charantia - Extract
- Mucuna pruriens - Extract
- Noni (*Morinda citrifolia*) - Extract
- Rhodiola rosea - Extract
- Shatavari (*Asparagus racemosus*) - Extract
- Schisandra - Extract\*
- Terminalia chebula - Extract

- Triphala extract
- Tulsi (*Ocimum sanctum*) - Extract
- Yellow sweet clover (*Melilotus officinalis*) - Extract

### Mushrooms:

- Maitake\* - Extract / Powder
- Shiitake\* - Extract / Powder
- Reishi\* - Extract / Powder
- Hericium\* - Extract / Powder
- Chaga\* - Extract / Powder

### Amino acids /

### Functional ingredients:

- Natural L-Theanine from green tea leaves (with identification from European lab)
- Natural Quercetin from *Sophora japonica*
- L-Glutathione reduced
- R alpha Lipoic acids
- Sodium hyaluronate
- Gamma oryzanol from rice bran
- Ferulic acid from rice bran
- MCT powder from coconut

### Microencapsulated amino acids powders:

[Instantized, granular, taste masking, sustained release] – BCAA / EAA / Isoleucine / Leucine / Valine / L-Carnitine / L-Glutamine / L-Arginine / Other monomeric amino acids

### Functional Micro-encapsulated powders:

Phytosterols / GABA [Taste masking] / Coenzyme Q10 [Instantized, Granular], Phosphatidylserine PS [20%, 50%, Granular, Instantized]

**Natural Vitamine E Series :** Mixed tocopherol powder, D- $\alpha$  Tocopherol powder, D- $\alpha$  Tocopheryl acetate powder, D- $\alpha$ -Tocopheryl succinate powder]
